

- Use knowledge of bias in writing.
- Develop knowledge of similarities/differences in texts.
- Develop understanding of persuasive techniques.

I would like to develop my understanding of what good structure is.

I would like to develop a more interesting structure in my stories.

I like creating characters personalities.

I need to use more information about bias in essay writing.

The Curious Incident of the dog in the night-time

I'm not sure about this

Would like to develop my understanding..

by reading more literature.

I don't think I have a specific style. I would like to develop my own writing style through creative writing/essay writing.

I would like to include more similes in my creative writing.

I want to read more literature - improve language sentence structure.

I should improve on this.

I would like to use my notes more in essay writing

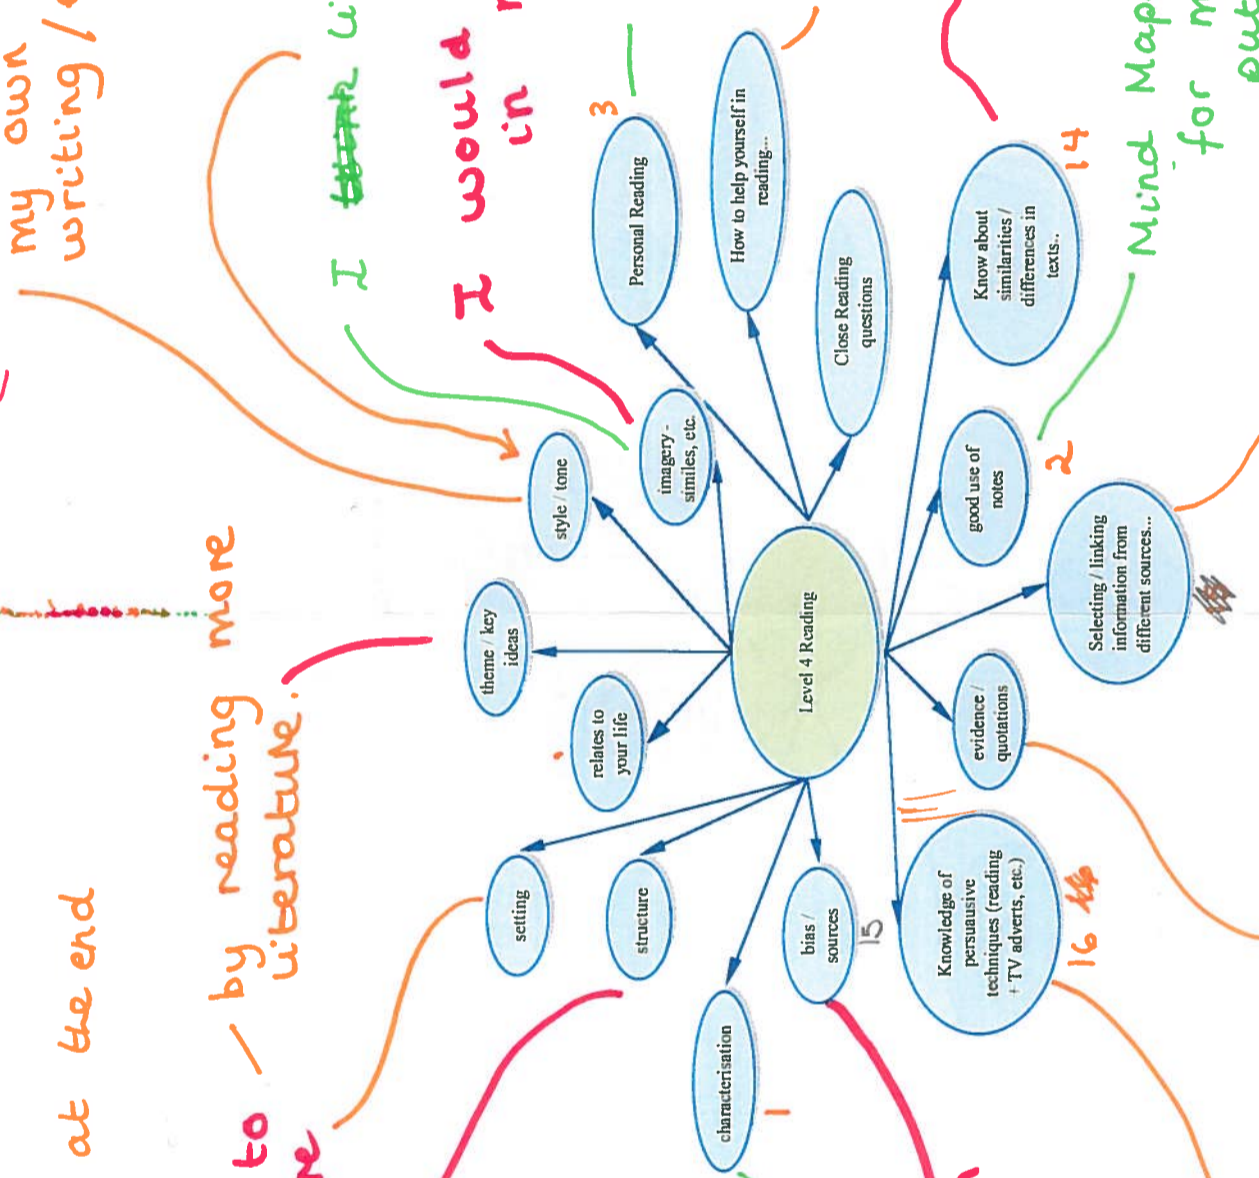

Getting information from sources like the internet other books.

I need more of this in my writing.

explain quotations

Books.

Internet

I think I used quotations in my essay but will try and use more.

Internet

Books.
